

VISION STATEMENT**MISSION STATEMENT**

SAE International is a global body of scientists, engineers and practitioners that advances self-propelled vehicle and system knowledge in a neutral forum for the benefit of society.

ENDS STATEMENT

SAE International enterprise is preeminent in serving its members and industry, by providing:

- A global network of students, scientists, engineers, practitioners and institutions.
- Technical publications that disseminate knowledge.
- Relevant, timely consensus standards that drive quality, performance, safety, cost optimization of products and product-life cycles.
- Conferences and symposia that add value through the first-hand transfer of technical knowledge.
- Lifelong learning, education and development and recognition for individual members, institutional stakeholders and the broader workforce.
- Mutually beneficial government/industry/academic interfaces that provide information for the formation of sound public policy decisions.
- Affiliated programs, products and services that add value and encourage innovation.
