

---

## Mission Statement

---

SAE International is a global body of scientists, engineers, and practitioners that advances self-propelled vehicle and system knowledge in a neutral forum for the benefit of society.

---

## Vision 2020

---

In the year 2020, SAE International will be #1 in the mobility industry by . .

- Connecting a global network of students, engineers, practitioners, and companies.
- Attracting, managing, and distributing mobility-related information through
  - Education
  - Standards
  - Technical publications
- Leading in global standardization.
- Creating and sustaining beneficial affiliations and interfaces that add value, encourage innovation, and help form sound public policy.

---

## End Statement

---

SAE International enterprise is preeminent in serving its members and industry, by providing:

- A global network of students, scientists, engineers, practitioners, and institutions.
- Technical publications that disseminate knowledge.
- Relevant, timely consensus standards that drive quality, performance, safety, cost optimization of products, and product-life cycles.
- Conferences and symposia that add value through the first-hand transfer of technical knowledge.
- Lifelong learning, education and development and recognition for individual members, institutional stakeholders, and the broader workforce.
- Mutually beneficial government/industry/academic interfaces that provide information for the formation of sound public policy decisions.
- Affiliated programs, products, and services that add value and encourage innovation.
