

# Technical Tour

## Honeywell Aerospace Deer Valley Avionics Engineering Facility

Friday, November 2, 2012

7:30 – 11:00 a.m.

Cost: \$30.00

Buses will begin boarding at 7:15 a.m. outside of the main entrance to the Marriott Hotel and depart promptly at 7:30 a.m. and return to Hotel at 11:00 a.m.

This walking tour will provide insight into the extensive avionics engineering and test performed at the Honeywell Deer Valley facility. Among the technologies and products designed and developed at this facility are; flight control systems, displays and graphics, flight management systems, condition based maintenance systems, sensor systems, communications, navigation, and surveillance systems. There will also be an overview presentation of Honeywell avionics products and capabilities. The tour will take 2-2.5 hours (from arrival to departure).
