The Embassy Suites North Charleston is a full-service hotel with 255 two-room guest suites. The convention center features 130,000 square feet of flexible function space. The hotel is operated by John Q. Hammons Hotels Management, LLC, a leader in the hospitality industry for more than 45 years.

PDA is proud to be the audio visual service provider for the Embassy Suites North Charleston. PDA is a full service lighting, audio, video and special effects provider specializing in state of the art productions and installations. While large events are no problem for PDA, the company also offers equipment and services to small and medium sized events. Whether you need a small sound system for your wedding reception or you need a full production for your company's annual meeting, we're here to help.
