BOOTH APPROVAL FORM

The Booth Approval form must be submitted to show management by Monday, August 23, 2010. Please refer to the Guidelines for Display Rules and Regulations, located in your exhibitor manual, when your booth is in the design stages. Photographs/renderings are always helpful to include with your completed form. Consider your booth design acceptable and approved unless you are contacted by SAE show management.

Please return form via email to Kathy Belles at kbelles@sae.org
