This year features a compelling line-up of keynotes, executive panel discussions, and technology sessions focusing on the most relevant issues surrounding electronics technology-safety, intelligent vehicle systems, powertrain, infotainment solutions, integration of disruptive

technology into the vehicle platform and the megatrends that will have long term effect on mobility electronics.

**Event features and topics include:**

- ✓ New technical sessions—Mega Trends & Disruptive Technologies
- ✓ Blue Ribbon Panel—Influencing the Future of the Automotive Industry
- ✓ The Carmakers Speak Panel
- ✓ Understanding the Next Generation of Employees (Millennials)
- ✓ Innovation Start-Up Marketplace - New in 2012
- ✓ The Future Leader Program—an exciting new program for new engineers

I encourage you and your team to participate in this event for industry professionals and practitioners to exchange ideas, share perspectives, and gain knowledge.

- Technical Expertise – The latest tools and proven solutions
- Industry Insight – Challenges and opportunities facing our industry now and in the future
- Networking – Opportunities designed to foster professional collaboration
- Exhibition – Discover the latest from around the globe

This is a must-attend conference for all professionals involved in mobility electronics – we hope to see you there!

You can increase your savings when you **pre-register by September 28, 2012**, and maximize it by becoming an SAE Member.

**(Salutation)**  
**Your Name**

✓ **Messaging TIP**

**Exhibitors and Sponsors**

Consider including a message about the new products you will be showcasing at Convergence. Invite customers and prospects to your booth. If you are part of a technical session or panel discussion, include the session or panel name and a link.

**Presenters and Participants**

Be sure to include information about your particular technical session, presentation or panel. A link to the information would be helpful as would including the day and time you are presenting.
