

Students & Young Engineers Call for Posters

Deadline: April 7, 2017

A student and young engineer (under 35 years of age and less than 10 years of work experience) poster competition will be held in conjunction with COMVEC 17. Posters will be selected based on the submitted abstracts and will be chosen in advance of the event. For those approved, individuals will receive an official letter to attend COMVEC. Selections will be made by May 15.

Poster Topics/Categories:

- Aerodynamics
- Chassis Design and Vehicle Dynamics
- Drivetrains, Powertrains, and Transmissions
- Electronics
- Safety
- Big Data
- Tires
- Technician, Fleet Training
- Vehicle Efficiency

To submit a poster for consideration, please submit the poster title, 300 word abstract and author names, affiliations and contact information by April 7, 2017 to:
