ADMIT ONE

Don't miss this chance to see the latest industry technologies at the SAE 2009 Commercial Vehicle Engineering Congress and Exhibition.

The SAE Commercial Vehicle Engineering Congress and Exhibition delivers exceptional AND practical interaction with industry experts, engineers, supply managers, and executives. Individual technologies and broader industry issues will be addressed at this premier event including a special Global Executive Leadership Panel*.

Technical Expertise—Leave the event with practical knowledge of the latest tools and proven solutions.

Industry Insight—Gain an expanded perspective from key thought leaders; challenges, initiatives, and opportunities facing our industry now and in the future.

Networking—Interact with your colleagues--other industry innovators—in exceptional networking opportunities designed to foster professional collaboration.

Exhibition—Discover the latest supply chain innovations from around the globe.

Visit www.sae.org/comvec for information on all the activities planned for the event.

Free admission is for Exhibit Floor activities only. Full registration is required for activities beyond the exhibit floor.

*Requires additional fees
