## Diesel Emissions and Their Control

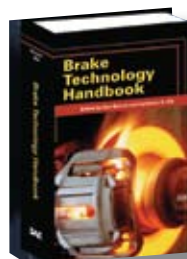

This book will assist readers in meeting today's tough challenges of improving diesel engine emissions, diesel efficiency, and public perception of the diesel engine. It can be used as an introductory text, while at the same time providing practical information that will be useful for experienced readers.

ISBN: 978-0-7680-0674-2; 584 pp; Hardbound 2006

**SAE Member Price: \$119.96**

**Non-member Price: \$149.95**

Product Code: R-303

## Brake Technology Handbook

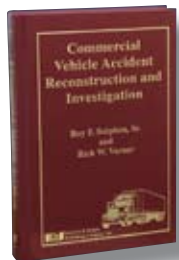

In a single source, this book provides comprehensive coverage of the current state of the art as well as the future of brakes and braking systems. Translated and completely updated from the landmark German-language work *Bremsenhandbuch*, Brake Technology Handbook covers brake system fundamentals, requirements, design, construction, components, and subsystem functions for vehicles of all types (including passenger cars, commercial vehicles, off-road vehicles, motorcycles, racing vehicles and even aircraft).

ISBN: 978-0-7680-1787-8; 576 pp; Hardbound 2008

**SAE Member Price: \$95.96**

**Non-member Price: \$119.95**

Product Code: R-375

## Commercial Vehicle Accident Reconstruction and Investigation

The authors of this text discuss in great detail the ways in which commercial vehicles are unique in their operation, performance and regulations. Chapters are dedicated to the different operating systems of these vehicles such as the electrical systems, tires, steering, suspension and much more.

ISBN: 978-193005647-3; 400 pp; Casebound 2008

**SAE Member Price: \$79.20**

**Non-member Price: \$99.00**

Product Code: B-869

## 2008 SAE Diesel Engines Technology Collection on CD-ROM

Immediate access to over 2,900 full-text diesel engines related technical papers, including over 110 new papers from the SAE 2008 World Congress.

ISBN: 978-0-7680-2064-9

**Member/Non-member Price: \$635.00**

Product Code: ENGD2008

### SAE Members

save year-round on most SAE publications, conferences, seminars, and more!

## SAE J1939

### Standards Collection on the Web

The Real-Time CAN Solution for Commercial Vehicle Applications

Continually updated, web-based subscription service featuring:

- 13 Core J1939 Standards
- Related Standards and SAE Technical Papers
- J1939 Companion Spreadsheet

For more information visit [store.sae.org/j1939](http://store.sae.org/j1939)

**SAE International**

## SAE Seminars and e-Seminars

### Diesel Engine Technology - I.D.# 93014

**Also available as an e-Seminar! - I.D.# PD130312**

### Controller Area Network (CAN) for Vehicle Applications - I.D.# C0120

**Also available as an e-Seminar! - I.D.# PD130557**

### Commercial Vehicle Braking Systems - I.D.# C0233

**Also available as an e-Seminar! - I.D.# PD130611**

### Accelerated Test Methods for Ground and Aerospace Vehicle Development - I.D.# C0316

**Also available as an e-Seminar! - I.D.# PD130624**

### **New!** Ground Vehicle Systems Engineering: A Practical Approach - I.D.# C0703

**Held on site at the SAE 2008 Commercial Vehicle Engineering Congress and Exhibition**

### **New!** Introduction to Commercial and Off-Road Vehicle Cooling Airflow (I.D.# C0738)

**Held on site at the SAE 2008 Commercial Vehicle Engineering Congress and Exhibition**

### Managing Engineering & Technical Professionals - I.D.# C0608

**Held on site at the SAE 2008 Commercial Vehicle Engineering Congress and Exhibition**

### Turbocharging Internal Combustion Engines (last date in 2008) - I.D.# C0314

**Held on site at the SAE 2008 Commercial Vehicle Engineering Congress and Exhibition**

For additional information on these or any SAE International Seminars or e-Seminars visit **[mylearn.sae.org](http://mylearn.sae.org)**

While at the event, be sure to visit the SAE Store located on the Exhibit floor.

#### **Store Hours:**

Tuesday 2:30 pm - 6:30 pm

Wednesday 10:00 am - 5:00 pm

Thursday 10:00 am - 1:30 pm

## 2008 Special Publications

A *Special Publication* is a print collection of technical papers from one or more sessions presented at an SAE conference. Based on key challenges facing the industry, these papers provide research findings from leading technical experts focusing on a specific topic.

### **Advancements in Steering Systems; Braking Systems; and Advanced Chassis Control and Rollover Stability**

Product Code: SP-2216

### **Commercial Vehicle Emissions 2008**

Product Code: SP-2217

### **Simulation of Commercial Vehicles 2008**

Product Code: SP-2218

### **Aerodynamics and Fuel Economy - Aerodynamic Devices and Methods & Technologies**

Product Code: SP-2219

## **Individual Papers**

SAE Technical Papers are available in print or as a PDF download \$11.20 SAE Member and \$14.00 Nonmember price. Over 200 papers from the 2008 SAE Commercial Vehicle event are now available at [store.sae.org/technical/papers](http://store.sae.org/technical/papers).

For more information on these products visit [store.sae.org](http://store.sae.org)
