

Food/Beverage Guidelines at the Fort Worth Convention Center

Trinity Food & Beverage Services, Inc is the exclusive catering company at the Fort Worth Convention Center. All catering and exhibitor booth catering must be ordered through Trinity Food & Beverage. Exhibitors may hand out individually wrapped items, under 3 ounces in size, for display or sample in the Exhibit Hall if they fall along the guidelines listed below*. Exhibitors cannot sell their sample product on the floor as a cash and carry item. Permitted items include snack sized candies or peppermints that are individually wrapped for consumption. Remaining items, such as bottled water, cookies, popcorn, snacks, and meals need to be purchased from the Trinity Food & Beverage catering department.

Please contact Shanda Pettibone with Trinity Food & Beverage at: (817) 392-2583 or spettibone@trinityfbs.com

Booth Catering Menus are available online at:

*If vendors would like to serve samples during a show, exhibitors must follow these guidelines:

- Sample size portions must be 3 oz (or less).
- Exhibitor must have a food handler's license and health permit to serve food.
- Sample items must be something the vendor manufactures (ie. Gerber could serve samples of their new brand of baby cereal)

OR

- Samples must be PREPARED in something vendor manufactures (ie. Cuisinart could serve smoothies made in one of their blenders).

Please let us know if you have any questions in reference to exhibitor catering or samples in the Exhibit Hall. Thank you!
