Free Standing Units				Offices / Storage Closets			
Qty.	Description	Discount Rate	Standard Rate	Room dimensions are limited to 1M and 2M increments. All Rooms come standard in your choice of White or Black Hardwall or Blue or Gray Velcro. If you desire additional colors, or Plexiglass, you may upgrade as indicated below. All door units are 1M wide. All Rooms are rented on a per meter basis. To calculate cost, figure the perimeter by adding the length and width and doubling. For example, a 3M x 3M office is calculated as 3m + 3M = 6M x 2 = 12M. (remember to subtract your door units from your total) Once you have calculated the Room Size, multiply by the per meter rate to calculate the total cost. Please provide a sketch or diagram of your booth showing dimensions and location of Room(s) and door units so that all may be installed prior to your arrival.
