Air Force Combat Transformation

Transforming WR-ALC

How Do We Measure Success?

- We must deliver capabilities that are:
 - More available
 - Perform better
 - More deployable
 - More affordable
- From the warfighter's perspective...
that's what matters!

The Bottom Line...

WR-ALC Contribution to DoD Transformation

Missions Performed

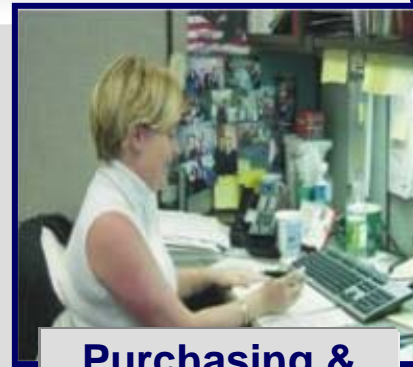

Air Logistics Center

Maintenance

Sustainment Management

Purchasing & Supply Chain Mgmt

Wing

Force Deployment

Partnering Opportunities

Public - Private Partnering

“Partnering is a logistics sustainment philosophy that focuses on a cooperative agreement between the program manager, system sustainment manager, depot maintenance manager, and private sector supplier of sustainment and modernization.”

Partnering is a cooperative effort not a competitive engagement!

WR- ALC Partnering Vision

Tools

Workshare

Summary

- **Our sustainment & logistics environment has changed**
- **Both public & private sectors need to transform our strategies to accommodate our new environment**
- **Public-Private Partnering continues to show results in depot maintenance . . .**
- **Timing is right to move partnering to the next level—ALL Areas of Product Support**
