Sustainment Maintenance

The Future Focus

AMC ... the Army's National Maintenance Provider

Current Installation Functions

- Materiel Maintenance
- Supply Mgmt / Supply Operations
- Laundry / Dry Cleaning
- Food Services
- Transportation Services

Current AMC Functions at Installations

- Management of Reparables
- Centralized Ammo Mgmt (CAM)
- National Maintenance Mgmt
- Logistics Integrated Data
- Quality Assurance
- Deliver Technology

Proposed AMC Functions

- ✦ Army's Single Logistics Provider
- ✦ Prepare the Deploying Force
- ✦ Link All Industrial Base Capabilities
- ✦ Synchronize and Integrate All Logistics
- ✦ Army Sustainment Command

Why Do This?

- ✓ Train and Prepare the Way We Fight
- ✓ Single National Standard for Sustainment Level Maintenance
- ✓ Leverages Power of the National Sustainment Base
- ✓ Better Able to Support Surge Requirements
