

Supporting the Warfighters

Through Synchronizing & Aligning Maintenance & Sustainment Elements

Mr. Ross Marshall

84 CSW/CL, Ogden Air Logistics Center

Background Leadership Vectors...

Our priorities are clear:

- Winning the Global War on Terrorism***
- Developing and caring for our Airmen***
- Modernizing and recapitalizing our aircraft and equipment***

- 2006 Air Force Posture Statement

The State We're In

AF Case for Action

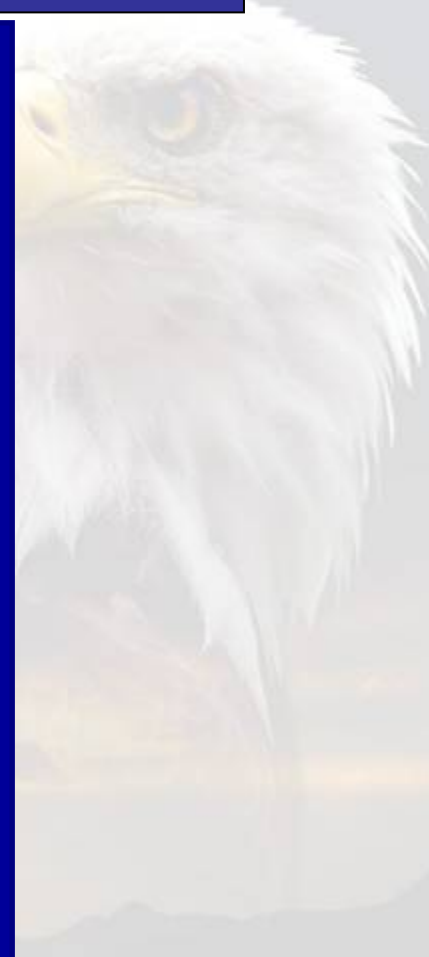

Rising Personnel Costs

Cost to Operate the Fleet

Aging Aircraft Inventory

Fiscal Environment

...Through Synchronization & Alignment of Maintenance and Sustainment...

- Air Force Transformed-- Not Your Daddy's Depot
- Workforce Trained & Operating in a LEAN Culture
- Integration of Effort has Transformed How We Support the Warfighter
 - ***More responsive to the Warfighter than ever***
 - ***Creating results that directly impact the mission***
 - Fewer aircraft in depot for less time
 - Fewer incidents of mission incapability
 - More parts in kits and on the shelves
 - Increased quality and safety

So how are we doing this?

Weapon System Management Synchronized & Aligned
