

# *Warner Robins Air Logistics Complex*

## *Production Management System*

Presented By:  
Mr. Doug Keene  
14 November 2012

# Current Process

*Warner Robins Air Logistics Complex*

*We Deliver Airpower...Period!*

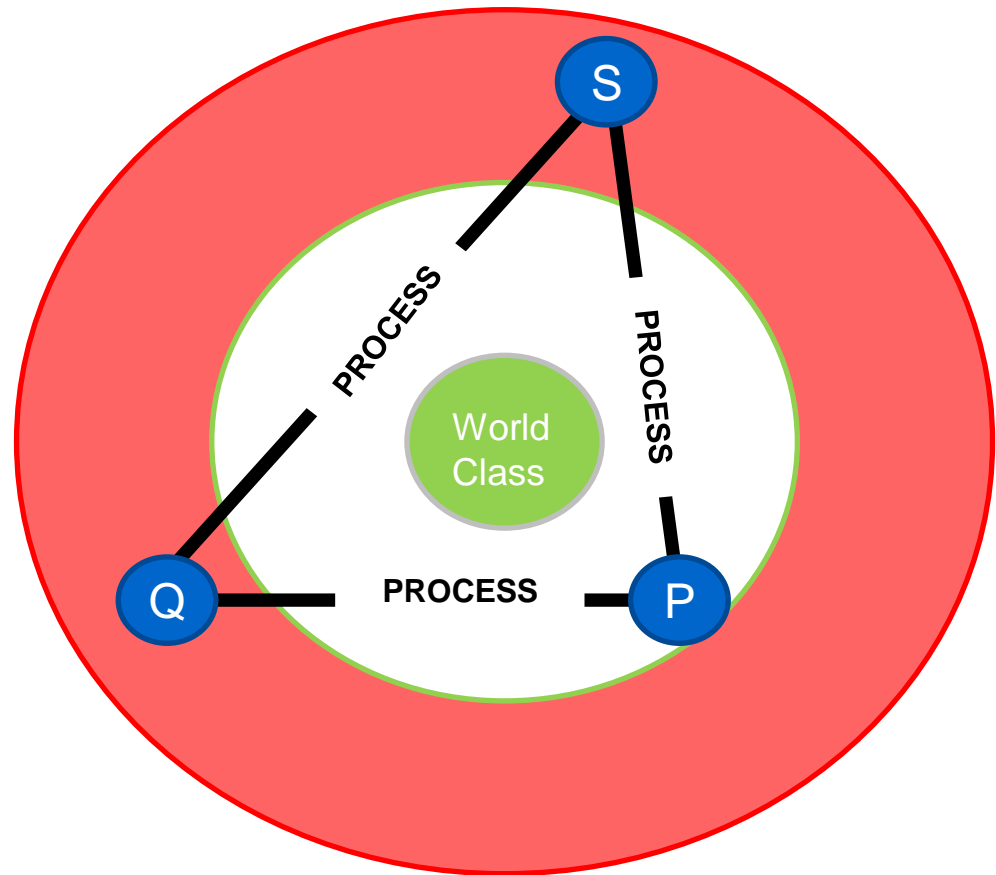

# Current Approach

Warner Robins Air Logistics Complex

- We typically isolate metrics
- Isolating one metric may skew others
- Processes link metrics
- Must build safety, quality, and productivity into our processes

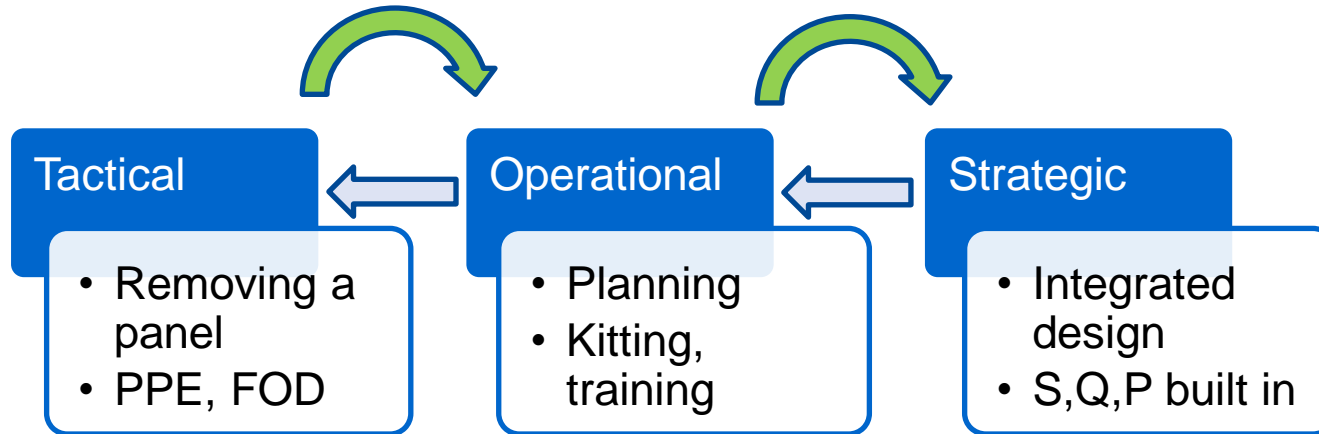

# Tactical to Strategic

Warner Robins Air Logistics Complex

*We Deliver Airpower...Period!*

# Engineering Approach

Warner Robins Air Logistics Complex

Strategic 5 yr

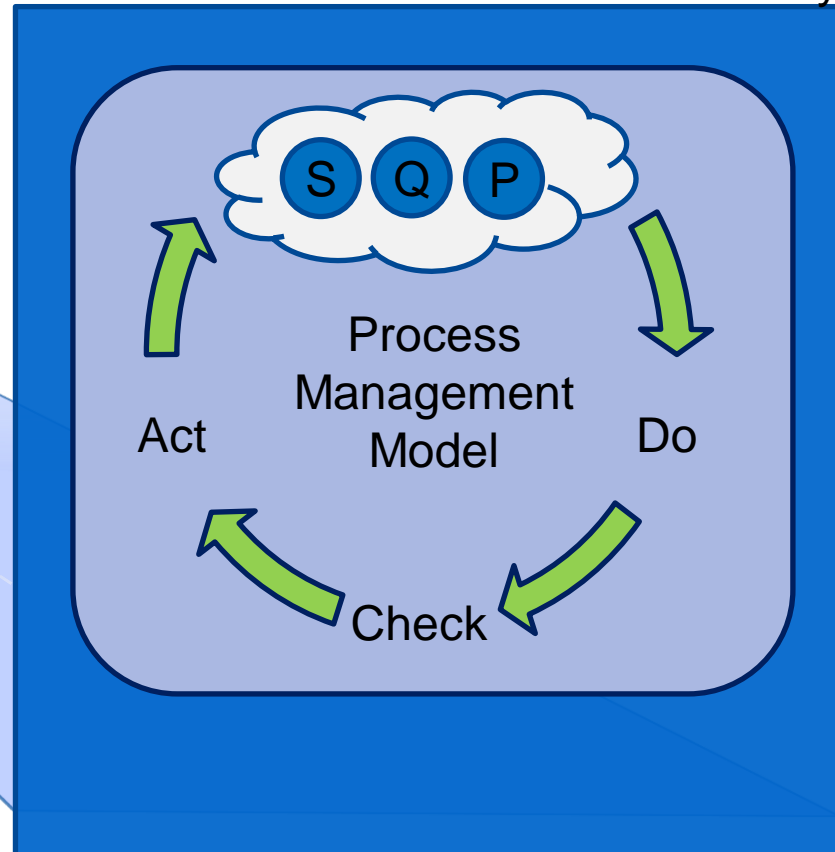

Senior engineers  
MX Plan during sys ACQ

Operational 18 mo

Journeyman engineers  
PDM Planning  
Inspection  
Kitting  
Process mapping

Tactical

Today

*We Deliver Airpower...Period!*

# Questions/Discussion

*Warner Robins Air Logistics Complex*

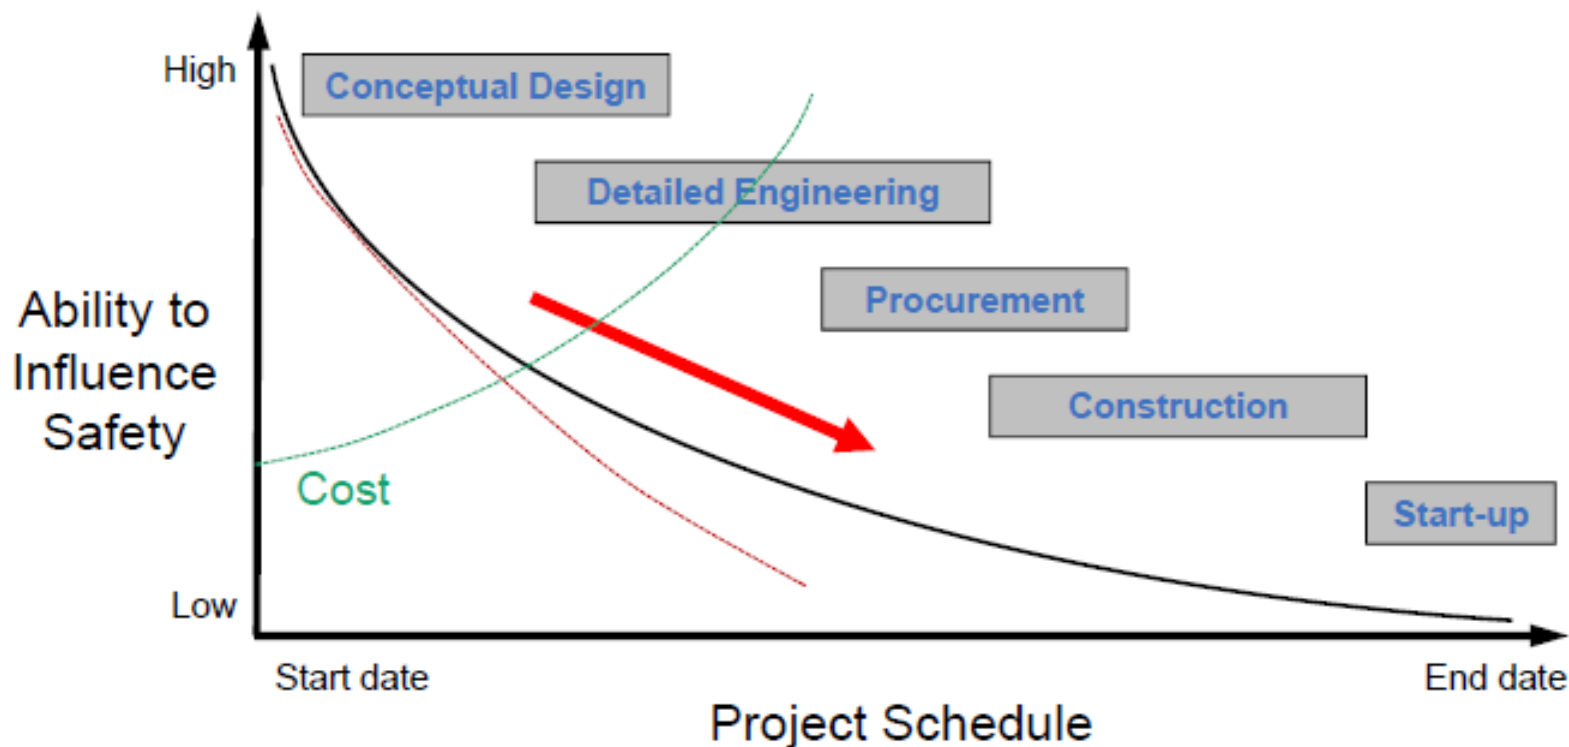

*We Deliver Airpower...Period!*

# Ability to Influence Safety
