PLAN A - SUPERVISION BY GEO. E. FERN CO.

To save time and alleviate exhibitor supervision, Plan A (Supervision by Geo. E. Fern Co.) is provided so that exhibits may be installed prior to the exhibitor's arrival. All pertinent information should be directed to us, including blueprints, photographs, shipping information and set-up instructions. Professionally trained personnel are used on installation/dismantles, and where possible, all work is performed on straight time. Charge for supervised service is 30% (with a minimum of \$50.00 per installation and/or dismantle) of the total labor bill. **Please provide an emergency contact telephone number:** (_____) _____.

	ORDER:	Number of Men Required Minimum of two	Estimated Hours (one hour increments) Each Man

PLAN B - SUPERVISION BY EXHIBITOR PERSONNEL

Starting time can be guaranteed only in those instances where men are requested for the start of the working day, which is 8:00 A.M., unless official set-up time is set to begin later in the day. While every attempt will be made to provide men at a time requested subsequent to 8:00 A.M. (or official set-up time), such starting time must be approximate, since men are assigned to jobs at the start of the day and it is impossible to gauge exact time of completion of first job assignment. **It is important that exhibit representative check in at service desk to pick up labor ordered.** Exhibit representative must also check the labor back in at the service desk upon completion of work. All work to be done under supervision of the exhibitor or his representative.
