Books • Standards • Web/CD • Papers • Training

### 2009 SAE Occupant Protection and Crashworthiness Technology Collection on CD-ROM

Includes more than 1,500 technical papers on the most up-to-date information on

occupant protection in passenger cars and light trucks.

**\$397.00 Nonmember**

**\$316.60 SAE Member**

**Product Code: OP2009**

### 2009 SAE Emissions Technology Collection on CD-ROM

Gives engine designers and engineers instant access to the latest, most comprehensive emissions-related information available to the industry.

**\$680 SAE Member/Nonmember**

**Product Code: EMISS2009**

## Customized Technical Information

SAE can provide you with the information you need in the format that best meets your needs.

### Individual Papers

SAE technical papers contain a wealth of mobility engineering information presented by your peers at SAE Conferences.

### Special Publication (SP)

A print collection of technical papers from one or more sessions presented at an SAE conference.

### TechSelect

A cost-effective, customized, and convenient way to purchase SAE technical papers.

## Customized Standards Solutions

SAE can provide you with the information you need in the format that *best meets your needs*.

### Individual Standards

These standards documents (commonly referred to as "J" reports or "J" documents) cover hundreds of interest areas relating to ground vehicle design, manufacturing, testing, and performance.

### Handbook Supplement (HS)

An HS is a bound collection of technology related standards and reports offered at less than the collective price of the individual standards in the collection.

### JPAKS - Online Standards Plan

An online customized subscription plan that lets you pay for just the documents that you need and use, full text search capabilities, and an alert page to keep you aware of changes and updates.

### SAE Ground Vehicle Standards on CD-ROM

A compilation of **over 1,800 individual standards**, recommended practices, and information reports pertaining to passenger cars, trucks, and other ground vehicles. Includes J-1939 and related documents. Updated quarterly.

For detailed information on these products visit **[sae.org/standards](http://sae.org/standards)**
