About Michigan Works!

Michigan Works! is the premier workforce development organization for Saginaw, Midland and Bay counties. We exist to:

- **Help YOU find qualified people**
- **Serve as a conduit for other workforce resources to help you succeed**

The Michigan Works! **Business Services Team** provides recruitment services at no cost, including online job advertisements, sorting resumes, resume searches, and quality referrals to help with your business needs.

We operate with the help of state and federal funds and are governed by board members, the majority of which are local business leaders who represent major industries in our area.

We are **NOT**:

- The State of Michigan
- The Unemployment Agency
- A social services organization

We **ARE** committed to saving employers time, effort, expense and uncertainty when it comes to hiring and retaining employees.
