

SAE 2007 Noise and Vibration
Conference and Exhibition

Partner Program

Sound Answers, Inc. is hosting a partner program for the SAE N&V Conference, which will consist of a hospitality coffee hour Tuesday and Wednesday morning and an organized activity for each day. Everyone is welcome to attend the morning meet & great (refreshments served), and there will be material explaining various activities, including local shopping, site-seeing, and you can sign up for one of the scheduled afternoon tours. Sound Answers is currently planning an organized tour of the Frank Lloyd Wright Home/Studio in Oak Park and a sightseeing / shopping trip to downtown Chicago. Please contact DJ Pickering (dj.pickering@soundanswers.net), if you have any questions or would like to register for one of the *day tours*.
