FORM DEADLINE DATE:
August 18, 2008

COMPANY NAME	EMAIL ADDRESS	BOOTH NUMBER
--------------	---------------	--------------

A non-Official Contractor is a company other than the "general or official" service provider on the show, or third party service provider designated by show management in the exhibitor manual as the provider of a specific service and requires access to your booth during installation and dismantling. The non-official contractor may only provide services in the venue, which are not designated by the venue as "exclusive" to a venue provider, or by show management in a contract as an exclusive service for the "official" or "general" contractor or other third party. If a non-official contractor attempts to provide services designated to another party as "exclusive" or is caught soliciting on the show floor or otherwise does not comply with the rules, the company may be removed from the show floor, and the exhibitor will not be able to use that company for the remainder of the event.

Due to the necessity of coordinating all activities during the move-in and for security purposes, exhibitors who choose to use these contractors must complete this form, comply with all rules and regulations (listed below) and supply GES Exposition Services with all necessary information by the deadline date indicated above.

This form will only be accepted if filled out by an authorized representative of the exhibiting company. Below are the Rules and Regulations regarding Non-Official Contractors. Everyone must abide by these rules, which are accepted industry rules that were drafted by the International Association for Exposition Managers.

Rules & Regulations

- All non-official contractors must comply with show rules and regulations, and accept appropriate liability for any negligent actions.
- The non-official contractors shall be prepared to show evidence to the official that it possesses applicable and current contracts.
- The non-official contractors shall be prepared to show evidence it has authorization from the contractor.
- The exhibitor agrees that he is ultimately responsible for all services in connection with his exhibit, including freight, drayage, rentals and labor.
- The exhibitor appointed contractor shall provide certificates of insurance and must agree in writing no later than 30 days prior to show opening.
- The non-official contractor will share with the official contractor all reasonable costs related to its operation, including overtime pay for stewards, restoration of exhibit space to its initial condition, etc. Where applicable a one hour minimum labor charge will be charged at the appropriate steward rate of pay per day/per union to either the EAC/exhibitor depending upon the billing arrangement set up with GES. (Based upon EAC not number of booths)
- The non-official contractor will not be permitted on the exhibit floor during the show days unless provided a proper registration badge by the exhibiting company.
- The show aisles and public spaces are not part of the exhibitor's booth. Therefore, the non-official contractor is required to confine all activities to the exhibit space of the exhibitor who has given the valid order for services.
- Solicitation on the exhibit floor is prohibited. Any EAC or Non-official contractor engaged in any solicitation on the exhibit floor including the distribution of official company literature will be removed from the exhibit floor, unless pre-approved in writing by show management or GES management.
- During show hours, only exhibit badges will be permitted on the exhibit floor. No installation and dismantling crew members will be permitted on the exhibit floor during show hours without the proper Conven-

tion name badge supplied by the exhibiting company. These badges should be ordered through the complimentary allotment of registration forms sent to each exhibiting company.

For insurance and safety reasons, the official contractor designated in this service manual must be used for services such as:

Electrical	Plumbing	Booth Cleaning	Decorator Labor
Telephone	Drayage	Rigging	Millwright Work

No exceptions will be made

Tips to Exhibitor Appointed Contractors (EACs)

- Order services required from GES and the Exhibit Hall in advance. Ordering labor or services onsite which contractors may not be prepared to provide immediately, may delay the set-up of your booth or force your set-up into overtime.
- Take steps to protect your client's product in the booth by arranging for booth security and/or cages.
- Please stay out of adjacent booths during set-up.
- Label empty cartons and crates for storage as soon as they are ready. Holding back on "empties" only adds congestion to the aisles.
- Do not store empty cartons inside of empty crates. Cartons are returned from storage first so exhibitors may begin packing their product.
- Keep "No Freight Aisles" clear at all times. If GES is required to rearrange any material situated in a clearly identified "No Freight Aisle" you or your client depending upon your billing arrangements with GES will be charged a one hour minimum for forklift rental and labor.
- Turn in outbound freight bills to the service desk on a timely basis. Holding freight bills until late in the day, or turning in large amounts of freight bills to the service desk at one time may delay outbound truck scheduling and subsequently force your loading out into overtime.
