

Ride and Drive - Allison Transmission's Test Track

Tuesday, September 27, 2011

5:30 p.m.-8:00 p.m.

Buses leave promptly at 5:30 p.m.

Allison's Test Track features a fleet of approximately 25 trucks representing various OEMs, all of which are equipped with 2010 emission engines. The fleet includes trucks specified with Allison Transmissions and competitive transmissions; the track features a one-mile, on-highway course and an on/off-highway course with a 25% grade hill.

Note: Pre-Registration is required by September 9, 2011; Ride and Drive limited to first 60 paid symposium attendees. Valid license and proof of medical insurance is required. You will be required to sign a waiver of liability to participate in the Ride and Drive. Transportation to and from the hotel provided by Allison Transmission.
