Complement your print advertising with these economical e-marketing options from SAE International:

- SAE Website banner advertising
- **Technology E-newsletter sponsorships**
- SAE webcast sponsorships
- and more!

The **Technology E-Newsletters**, from the Editors of SAE Magazines, are e-mailed to a customized distribution list—from the SAE worldwide customer database—of the most senior design engineers and managers at OEMs and top tier suppliers. Every e-issue offers up to six premium ad spots. New for 2008 are:

- Diesel Technology
- Off-Highway Technology
- Truck and Bus Technology
- SAE Technology

A broad-based technology e-newsletter for the automotive, off-highway and aerospace markets

Exclusive. Effective. Economical.
E-marketing from SAE!
