

Product	Description	Format	Content	Full-text	Search Capabilities	Backfiles	Updates	Downloads
Digital Library	Comprehensive resource encompassing technical papers, standards, and related publications from SAE and other renowned organizations	online	Bibliographic database with full-text documents	1998-present	Yes	*1990-1997 *1980-1989 *1964-1979 *1906-1963	Daily	Unlimited
Scholarly Journals	Highly-cited peer-reviewed technical papers spanning all aspects of ground vehicle and aerospace engineering technology	online/print	J. Aerospace J. Commercial Vehicles J. Engines J. Fuels & Lubricants J. Materials & Manufacturing J. Pass. Car - Mechanical Systems J. Pass Cars Electrical & Electronic Systems	Yes	Yes - online	Yes - online	Online - Multiple times per year Print - Yearly	NA
Technical Paper Subscriptions	Portfolios of SAE technical papers focused on targeted technologies and industries	online	10 different titles available	Yes	Yes	NA	Daily	NA
TechSelect	Customizable you select the number of papers you'll need in a given year	online	1998-present	39,900+	Yes	NA	Weekly	12, 25 or 50 per subscription
Technical Papers Collections on CD-ROM	Collection of technical papers on a select number of topics	CD	Engines Series; Safety Series	Yes	Yes	NA	Yearly	NA
Technical Paper Collections	Current research trends in the mobility engineering community	online	175 different titles available	Yes	Yes	NA	None	NA
Special Publications	Current research trends in the mobility engineering community	print	125 titles available	Yes	No	NA	None	NA
Individual Papers	Peer-reviewed technical papers covering all mobility related subject	print/PDF	1906-present	92,000+	NA	No	Daily	NA
