

## SAE Ground Vehicle Standards Technical Committees

### *Call for Experts*

#### POWERTRAIN

Battery Standardization Committee

- Starter Battery Committee
- Battery Packaging Standardization Committee
- Small Task Oriented Vehicle Battery Committee
- Battery Materials Testing Committee
- Battery Terminology Committee

Gasoline Fuel Injection Committee

Belt Drive Committee

Vehicle and Engine Emissions Standards Committee

#### CHASSIS SYSTEMS

Electric Power Steering Committee

Hydraulic Brake Components Committee

#### TRUCK and BUS

Truck and Bus Wheel Committee

#### ELECTRICAL SYSTEMS

Vehicle E/E/ Systems Diagnostics Committee

Electrical Distribution Systems Steering Committee

Electrical Connectors Committee

Electrical Harness Covering Committee

Electromagnetic Compatibility (EMR/EMI) Committee

Vehicle Network for Multiplex & Data Communications Committee

Automotive Electronic Systems Reliability Committee

Vehicle Flat Panel Display Committee

Circuit Protection Committee

Vehicle Electric Power Supply Committee

#### MATERIALS

Acoustical Materials Committee

Automotive Adhesives and Sealants Committee

Carbon and Alloy Steels Committee

Collision Repair Committee

Metals Technical Committee

Plastics Committee

Spring Committee

Vibration Control Committee

#### VEHICLE SAFETY SYSTEMS

Seat Belt Systems Standards Committee

Inflatable Restraints Standards Committee

#### SAE Green Technology Systems Group

Link to request  
membership on a  
technical committee.

<http://www.sae.org/standardsdev/participationReq.htm>

#### FUEL CELLS

Fuel Cell Performance Committee

#### VEHICLE ENGINEERING SYSTEMS

Odometer / Speedometer Committee
