## ATTACHMENTS OF SUPPORTING INFORMATION

Using a separate sheet(s) of 8 ½ x 11 paper (single-sided), include the following information to support your application. Please type and attach your information in the order in which it is listed below. Items 1 and 2 may be included on the same sheet.

### 1. Educational Record, Activities and Honors

- List the name and address of the school(s) you attended (grades 9 through 12)
- Include an official copy of your high school transcript with this application. Be sure that your SAT I Reasoning Test and/or ACT scores are included on the transcript along with the number of times taken, or include a photocopy of the official test result reports. Have your guidance counselor include a school profile of the current curriculum and grading system if a standard 4.0 scale is not used. Clearly indicate all courses which are "Honors" or "Advanced Placement" programs. Be sure all transcripts are legible. (NOTE: Updated SAT or ACT scores will NOT be accepted after the application deadline date of December 1. Processing of application begins immediately upon receipt.)
- List all Advanced Placement or Honors courses, when they were taken, and the grade for each course (unless clearly indicated on your high school transcripts)
- List school-related extracurricular activities in which you have participated
- List non-school related activities in which you have participated
- List academic honors, civic honors, or awards you have received

### 2. Employment Record

- List all jobs you have held. Include the names of the employer, the dates of employment, and the type of work you performed.

### 3. Essay Question

- On a separate sheet of paper, discuss in 250 words or less the single experience that most strongly convinced you or confirmed your decision to pursue a career in engineering or a related science. Essay should be typed, double-spaced, on a single sheet of paper.

## APPLICANT'S CERTIFICATION/PERMISSION TO RELEASE INFORMATION

I hereby certify that all information submitted on this application is true and accurate to the best of my knowledge. By submitting this application, I authorize my high school principal or counselor to make available to SAE information concerning my academic records. In addition, I grant permission to allow SAE to release information contained herein to other potential sources of scholarship assistance for engineering studies.

## MAILING INSTRUCTIONS -- APPLICATION MUST BE POSTMARKED BY DECEMBER 1, 2008

- Print application. Staple all attachments to the back of the completed application in the order in which they are listed. Attachments should not exceed ten (10) pages. A copy of the application, including all attachments and transcripts, must be submitted for each university checked on the front of this form. (Only one official transcript needs to be included - photocopies will be accepted for the additional sets of attachments.) **Incomplete sets and those received without the correct number of copies will not be processed.**
  - completed application
  - official high school transcript
  - educational record
  - activities & honors
  - employment record
  - essay
- Keep a copy of your application and information for your records.
- Mail unfolded in an envelope by December 1 to Marge Milligan, SAE Engineering Scholarships, 400 Commonwealth Drive, Warrendale, PA 15096
- Please do not contact SAE for application status. Applications are judged by the sponsoring university. Recipients will be notified by June 30, 2009. Recipient names will be listed on the SAE Web site in mid-July. ([www.sae.org/students/scholarships](http://www.sae.org/students/scholarships))

**QUESTIONS? Check out the SAE Web site at [www.sae.org/students/engschlr.htm](http://www.sae.org/students/engschlr.htm) for answers to your most frequently asked questions.**

\*\*NOTE: Application for a university-sponsored scholarship does not constitute application for admission to the college or university, nor is it applicable to other scholarships that may be offered by the university. All sponsored scholarships are contingent upon the applicant's enrollment in an accredited curriculum. The applicant is responsible for making application for admission to the college or university. If application to the school is not made prior to January 15, 2009, the applicant will be disqualified.
