CALL FOR PAPERS
SAE 2020 CHINA EVENTS

SAE 2020 Automotive Security & Safety Technology Congress
JUNE 18-19, Shanghai

SAE 2020 Intelligent and Connected Vehicles Symposium
JULY, Kunshan

SAE-AWC 2020 Automotive Electronics and Software Technology Forum
August, Shenzhen

SAE 2020 Vehicle Electrification and Autonomous Vehicle Technology Forum
December, Shanghai

We are asking for you to share your time and talent to write a paper and / or give a presentation.

Benefits of Authorship*
- Expand your professional experience and influence by demonstrating subject matter knowledge and expertise to mobility practitioners throughout the world.
- Connect with subject matter experts in the mobility industry to expand business opportunities.
- Be a conduit for discussion on further advancements in intelligent vehicle technologies, automotive electronics, sensors, connected vehicles, cyber security, and automated vehicles.
- Discuss successes and problems encountered during research with your peers who may have similar experiences and lessons learned to share.
- Your technical paper could be selected for SAE Journals—collecting our best technical papers in online and print issues throughout the year, increasing eligibility of inclusion into scientific indexes

Call For Reviewers
SAE International is also seeking help from experts willing to volunteer their time and technical acumen to review technical manuscripts for the Technical Sessions.

Benefits of Being a Manuscript Reviewer*
- Expand your technical knowledge by reviewing manuscripts and achieving prior awareness of the latest technologies and practices coming to the mobility industry.
- Demonstrate your subject matter expertise to the organizers developing technical sessions.
- Become a bigger part of the technical community by contributing to the mobility industry’s body of technical knowledge.
- Connect with other subject matter experts in the mobility industry to expand business opportunities.
TOPICS UNDER CONSIDERATION:

Intelligent Connected Vehicle:
- Sensors, Multi-Sensory Fusion and Perception
- Intelligent Transportation Systems and V2X
- AI and Autonomous Vehicle
- Testing and Validation
- Map and Positioning

Electric Vehicle:
- Batteries & Battery Packs
- Electric Motors
- E-Drive System
- Battery Materials

Safety:
- Functional Safety
- Cybersecurity
- Active and Passive Safety
- Battery Safety
- Electric Vehicle Safety
- Traffic Safety

Important Information

- If your manuscript has been accepted by SAE, and one author or presenter has been invited to participate in the related event in China, the author shall register for the event, and the registration fee will be required; otherwise your manuscript may not be eligible for publication.
- If your Manuscript is selected for Podium Time or Post Show and you do not attend, your manuscript may not be eligible for publication.
- Approval of final manuscript does not guarantee that the author will be given a speaking slot.
- Presentations will be assigned based upon topic applicability and the number of available speaking slots.

Publishing Q&A

- Q: How long does SAE need to review my paper?
  A: Regularly, it will take 3-4 months, please submit your full manuscripts as early as you can.

- Q: Once my paper has been accepted by SAE, when can it be published?
  A: SAE needs 10 weeks to proceed with the publishing process. SAE will proceed the publishing process on following dates: June 30, August 14, September 30.

- Q: When can my paper be indexed by Elsevier Ei Compendex?
  A: Regularly, Elsevier will need 3-4 weeks to proceed with the process, and SAE cannot control it.

Portal for Submission will be open on: Feb. 21, 2020
Final Deadline to Submit Full Manuscripts: May 30, 2020
