Please consider using the message below to promote your participation at the SAE COMVEC™ to your colleagues and peers in the industry.

Dear colleague,

As an attendee at the [COMVEC™ Technology Connection](#), I'd like to share some exciting developments taking place on September 11-13 in Rosemont, IL. This year's event features a multi-symposia format, featuring two of the industry's hottest topics, technical expert panels, and more! COMVEC™ is central forum for the community that develops vehicles and equipment spanning the on-highway, off-highway, agricultural, construction, industrial, military, and mining sectors.

COMVEC™ also serves as the platform to explore improvements in internal combustion engines, new powertrain options, autonomous vehicles, and fuel efficiencies gained through aerodynamics, braking, and platooning. By attending this event, you will have the opportunity to network and interact with industry innovators and key thought leaders to discuss the latest challenges, initiatives and opportunities facing the industry.

By joining me at the event, you will:

- Leave the event with practical knowledge of the latest tools and proven solutions for the on-road and off-road commercial vehicle industry
- Gain an expanded perspective from key thought leaders on challenges, initiatives, and opportunities facing the industry now and in the future
- Discover the latest supply chain innovations from around the globe
