Please consider using the message below to promote your participation at the SAE 2019 Noise and Vibration Conference & Exhibition to your colleagues and peers in the industry.

Dear colleague,

As an attendee of the [Noise and Vibration Conference & Exhibition](#), I'd like to share some exciting developments taking place in Grand Rapids, Michigan from June 10-13, 2019. The Noise and Vibration Conference & Exhibition is the premier technical event dedicated to mobility noise, vibration, and harshness – and serves as a forum for leading automotive, commercial vehicle, and aerospace professionals to share the latest technologies surrounding NVH and sound quality. By attending this event you will be able to participate in the discussion, gain vital insights, and develop your strategies for success.

Featured Speakers:

- Tuesday Keynote: Raymond Kach, Ph.D., Ford Motor Company
- Wednesday Keynote: John Maxon, Gulfstream
- Thursday Keynote: Daniel A. Russell, Ph.D., The Pennsylvania State University

Join me in Grand Rapids, Michigan on June 10-13, 2019 to connect directly with the key players driving advancements in mobility noise, vibration, and harshness.

[Learn More.](#)

Yours Sincerely,
