CALL FOR PAPERS/PRESENTATIONS

WCX SAE World Congress Experience
April 18-20, 2023 | Detroit, Michigan, USA

Call for Papers – Abstracts accepted between June 1 - September 13

SAE International’s WCX is the premier global automotive technical conference and exhibition focused on virtually every facet of modern automotive mobility, including platform, system, subsystem, and component research & development, engineering, manufacturing, assembly, test and verification, certification, integration, deployment, maintenance, and continued safety, security, and sustainability.

Innovators and thought-leaders from across the global automotive community convene annually at WCX to share the latest technical knowledge and innovations, discuss real-world challenges and practical solutions, discover new technologies and techniques, uncover trends and opportunities, and network, problem-solve, and partner.

Harness this opportunity to demonstrate your expertise and thought leadership by presenting your latest work, sharing your knowledge, and networking and collaborating with engineers, executives, regulators, researchers, scientists, academia, and other key decision makers from across the global automotive ecosystem.

Abstract submissions are invited through September 13, 2022 for the following WCX Technology Tracks:

- Advanced Propulsion / Powertrain / Electrification
- Automotive Electronics / Automated & Connectivity / Vehicle IoT / Smart City
- Battery Energy Storage Systems
- Body / Chassis / Occupant and Pedestrian Safety / Structure
- Integrated Design
- Smart Manufacturing
- Military Ground Vehicles
- Emissions / Sustainability / Thermal Management
- Materials and Lightweigting
- Motorsports Engineering

Abstracts must be submitted online via website page to only ONE session. Offered papers shall not have been previously published; and if accepted, contributors will not release their paper for publication through other media.

- Paper acceptance will be based on organizer moderated peer review of a review ready manuscript.
- Refer to the author resources site at volunteers.sae.org/authors.htm for other useful information in preparing your paper.
- Deadline for submitting paper offers 09/13/2022
- Review Ready Manuscripts due to session organizers 10/25/2022
- Final Manuscripts and copyright assignments due to SAE 02/07/2023
- Authors will be charged a nominal registration fee for colloquium attendance.
