

Build a Cipher Wheel

To assemble your cipher wheel:

1. Cut out the two disks
2. Poke a hole in the center of each disk
3. Place the smaller disk on top of the larger disk and attach the two together using a paper fastener, push pin, etc.

Secret Messages

Use the cipher wheel to decode the following messages:

Hints

- Some of the most frequent three-letter words are: THE, AND, FOR, ARE, BUT and YOU
- The only one-letter words are A and I.
- If a three-letter word repeats in close proximity, it is likely AND or THE.
- The most common double letter is LL.
- If many words end in the same letter, it is likely E.
