Chowdhury STEM Innovation Contest

Take a chance to make a change!

Enter the contest for the chance to share your ideas, make an impact, and win big with up to $10,000 worth of prizes and donations.

What’s involved?

Ask an adult to be your contest mentor. Will you work by yourself or with a team of classmates, family, or friends?

Investigate a real-world issue that you care about. How could you solve it?

Share your innovative STEM idea to teach other kids in a fun way. Will you create a game, video, comic book...?

What’s next?

Read the rules and details online: sae.org/chowdhury

Register with your mentor by November 15th!

Submit your project online with the help of your mentor

This contest is open to students in grades 4–8 in the U.S. and Canada.
