

Re: SAE International Journal of Passenger Cars: Electronic and Electrical Systems

To: All subscribers

Date: November 2019

Effective with the 2020 volume year, *SAE International Journal of Passenger Cars: Electronic and Electrical Systems* will be discontinued and merged into the new *SAE International Journal of Connected and Automated Vehicles*.

Passenger Cars: Electronic and Electric Systems will finish publishing 2 issues for the 2019 volume year, but with a delayed publication of early 2020 for the final issue of the 2019 volume year.
