CHAPTER 1

Setting the Stage: Intersection of Commercial Aviation and Cyber Security	<u>1</u>
1.1 Introduction	<u>1</u>
1.2 Defining Commercial Aviation	<u>2</u>
1.3 Defining Information Technology and Information and Communications Technology	<u>3</u>
1.3.1 Next Generation Air Transportation System	<u>4</u>
1.4 Defining Cyber Security and Cyber Attacks	<u>5</u>
1.5 Why Look at the Intersection of Commercial Aviation and Cyber Security	<u>9</u>
1.6 Making the Right Decisions Today	<u>11</u>
References	<u>12</u>

CHAPTER 2

Defining Supply Chains	<u>17</u>
2.1 Introduction	<u>17</u>
2.2 Defining a Supply Chain	<u>17</u>
2.3 Commercial Aviation Supply Chains	<u>18</u>
2.4 IT/ICT Supply Chains	<u>19</u>
2.5 Intersection of Commercial Aviation and IT/ICT Supply Chains	<u>20</u>
2.6 Consequences for the Future	<u>21</u>
References	<u>23</u>

CHAPTER 3

Controlling the Supply Chain: Supply Chain Risk Management	<u>27</u>
3.1 Introduction	<u>27</u>
3.2 Supply Chain Risk Management	<u>27</u>

3.3 Controlling Supply Chain Risk in Commercial Aviation	<u>30</u>
3.4 Some Current Controls on Commercial Aviation Supply Chains for IT and ICT	<u>31</u>
3.5 Controlling Supply Chain Risk in IT and ICT	<u>33</u>
3.6 How Cyber Security Became Such a Big Problem	<u>35</u>
3.6.1 Cyber Security is Not Designed in from the Beginning	<u>35</u>
3.6.2 Physical Safety Has Been Focus of Regulations	<u>36</u>
References	<u>37</u>

CHAPTER 4

Vulnerabilities in Commercial Aviation and the Supply Chain	<u>41</u>
4.1 Defining Vulnerabilities	<u>41</u>
4.2 Vulnerabilities in Commercial Aviation	<u>41</u>
4.3 Vulnerabilities in IT and ICT	<u>43</u>
4.4 Breach of Supply Chains	<u>46</u>
4.5 Cyber Security Guidelines for Supply Chains	<u>47</u>
4.6 Long-Term Concerns About Attackers	<u>50</u>
References	<u>52</u>

CHAPTER 5

Managing the Future of Commercial Aviation Supply Chains in an Era of Cyber Attacks	<u>57</u>
5.1 Introduction	<u>57</u>
5.2 Identifying IT/ICT in Commercial Aviation	<u>58</u>
5.3 Identify Where IT/ICT Products Enter the Supply Chain	<u>59</u>
5.4 Identification of Risks Associated with the IT/ICT Supply Chain	<u>61</u>

5.5 Determine How to Manage Risks Associated with IT/ICT Products in the Supply Chain	<u>62</u>
5.6 Conclusion	<u>63</u>
